SUBJECT: Tentative Taxable Values for 9/1/2021 Taxes
Exemption Impact Report - RPTL S495

DATE: April 28, 2021

Attached please find the Tentative Taxable Value spreadsheet for your district. These values are *very tentative* and will be updated as changes are made to the assessment roll.

Due to the State's new STAR check program, we will be sending the STAR taxable value worksheet under separate cover.

Also attached is the Exemption Impact Report for your district. This report will satisfy the majority of the requirements of RPTL S495. This can be used to analyze the impact of various exemptions within your taxing jurisdiction. A copy of this report must be attached to your preliminary, tentative, and final budgets per state law.

If you have any questions, please contact this office.
